Lite Meal and Refreshments

“From the Pastor’s Desk”

Here's **good news** for **Grade School Students**, school will begin at **9:30 AM** instead of 8:00 ... on Sundays that is! Yes, *Sunday School*, known as **Parish School of Religion** will begin in 2 weeks on August 22nd, and your kids can sleep in a little longer as long as they're present and ready to go when class begins at 9:30 in our Parish Hall Classrooms.

Registration forms will be mailed out next week to all families that participated in PSR this past school year. Additional forms will be available in Church for those who will begin to attend PSR for the first time.

While many more of our children are now attending **Catholic schools**, they are still encouraged to attend Sunday School as a way to be united with other Catholic kids in their Parish Church.

My hope is that every Catholic child is formally instructed in the faith either in a **Catholic School** or in our **Parish School of Religion** program or in both! Parents, please make the sacrifice to bring children in public schools to PSR.

How wonderful that more and more Parents are discovering the lasting value of Catholic education. This year we will have a **record number** of our kids attending one of the **5 Catholic schools** in our area.

As a result of my recent plea for people to offer financial aid for students, we now have **several thousand dollars** available for tuition assistance! If you would like to send your child to Catholic school, but just can't quite afford the full tuition, let us know and there's a good chance we can help!

One way that we would like to continue to build our pool of money for the education of our kids is by instituting a **recycle program for Aluminum!**

I'm asking **every household** to gather your aluminum cans and food trays into garbage bags and bring them with you on your trip to Church. Simply throw your bags over the **new wall connecting** our **two sheds** together. Then, on a regular basis, we'll get our youth to crush the cans in our newly installed **Can Crusher** and finally we will cash them in for money at the rate of some 30 to 60 cents per pound.

This money will be ear-marked for our Children, either through **Tuition Assistance** or **PSR** or our **Annual Retreats**.

Bring all the clean aluminum cans that you can, even those from your **place of work**. You'll feel good about recycling and be bringing money to the Church in the process!

Lastly, please make plans to come to the Parish Hall after Mass next Sunday to give a **royal send-off** to **Jim Handerhan** and **Beau McMinn** as they leave to begin Priestly formation at **Notre Dame Seminary** in New Orleans, Louisiana.

Prayers and blessings, Love Father Deering

Please pray for our Parish Family in Nursing Homes or Homebound.
