*Pope John Paul II and Pope Benedict XVI have stated numerous times that there is no greater work to be done than to defend innocent human life, and "woe to us if we fail".*

*Our future depends on it; the future of our nation depends on it; and the future of our souls could depend on it.*

## "From the Pastor's Desk"

As you firm up your summertime plans, there are a couple of dates that I hope you'll pencil into your calendar for events that promise to bring you great value.

The **first event** will take you on a *Quick Journey through the Bible!* It is designed to take just one hour a week for the **8 weeks of summer** running from **June 15- August 3.**

Beginning promptly at **6:30 PM each Wednesday evening,** a **45-minute DVD** presentation by **Jeff Cavins** will be shown in our **Parish Hall.** Add in **another 15 minutes** for discussion and questions and you'll be out in 1 hour.

After just 8 weeks, you'll have completed a *Great Adventure Bible Timeline* giving you a clear overview and a much better understanding of God's book ... **the Bible.**

The **second event** will give you a refreshing glimpse of what a **Christian worldview** looks like here in America. It's a desirable worldview that sadly is at odds with much that we have in our own culture.

In a single presentation held at **7 PM on Sunday night July 17<sup>th</sup>,** renowned speaker, **Chuck Colson,** will fill us with insight and inspiration to carry us forward in today's world..

His 1-hour presentation will be made at the big and beautiful **Wright Auditorium** on the **Samford University** campus in Homewood.

Another event that we would like to resurrect in the coming months is that of the **"Renew" Groups** that were so helpful and well-attended in the years leading up to the Jubilee Year of 2000.

You may remember how then Pope, **John Paul II,** called all members of the Church to gather in home communities to enter into prayer and study of The Father, The Son and The Holy Spirit.

So on a regular basis, such as once a month, parishioners would gather in groups of 10 to 20 people in their homes where they would discuss and share their understanding of God.

Many people made new friends that they have kept through the years. And many people experienced their spirit being fed in a new and powerful way ... which really enlivened their faith and brought them to a new appreciation of God and family and life.

That's really what we all want ... to experience a sense of purpose and be reassured that we are on the right path in life.

Stay tuned for more information about when this renewal of **Renew** will take place in our Parish!

Prayers and blessings,  
Love, Father Deering

*Please pray for our Parish Family in Nursing Homes or Homebound.*
