

ST. ELIZABETH ANN SETON LADIES ALTAR SODALITY

We are an organization of women whose purpose is to serve our Church.

Our top priority is to ensure all Altar needs are met. This includes vestments, cassocks, bread, sacramental wine, candles, and any other Altar items or needs of our Priest. We do this through fundraising events that our parish so generously supports. We also have several Outreach groups. Through them, we tend to the sick, elderly, shut-ins and families with new babies. We do all funeral receptions held at our Parish Hall, and help serve and clean up at most Parish functions.

We meet the first Monday of every month, except for June and July. We welcome and encourage any women in our Parish to join!

We look forward to serving the Church and its members in 2019.

The following are a few of our activities from 2018:

- LAS had its annual spaghetti dinner weekend in August. This event is our biggest fundraiser of the year, and it was very successful due to the hard work of many and the generous support of our Parish! Thank you!
- We had a team participate in Walking to Remember 2018, Alzheimer's of Central Alabama's annual fundraiser at the Galleria in November. Our team raised over \$1000.00 for this worthy event.
- Our Lady of Guadalupe Outreach Guild delivered Christmas bags to the homebound and nursing home, among other Outreach projects they did during December. We did our annual Angel Tree Project, which this year benefits the North Jefferson Women's Center.
- LAS did the decorating, set up, and served at the Parish Christmas party on Dec. 9th. We also furnished the reception for our Choir program "Lessons and Carols" on Dec. 21st.

We are planning now for several projects and the upcoming St. Joseph Altar and Parish Appreciation Sunday. We will have Sodality Mass on Jan. 20th.

We love working together, praying together, and laughing together. We treasure the friendships we have made through LAS, and encourage you to be a part of this group. We love serving our Lord by serving our Church.
