Pray, Believe and Live Catholicism

Abortion is nothing more than a "choice" to kill. Pray for all who have made the wrong "choice", that they will find God's forgiveness and love. Pray that we will have the courage to rise up in love and protect life from conception to natural death.

THOUGHT FOR THE DAY

St. Luke was the only Gentile to write books of the Bible, and he was a close companion of St. Paul. St. Luke is known as a very gifted writer, a physician by trade. The Gospel of Luke and the Acts of the Apostles are works that depict an author who certainly was aware of the needs of his local community. One of the major concerns for Luke was the fact that the people were beginning to give up their faith. They were questioning how Jesus' words, 60 years past to the Hebrew people, could still be pertinent to a "new generation" and culture. Because of this, Luke stresses mercy, gentleness, and healing time and again. The "Prodigal Son" is one of Luke's shining examples of God's unfathomable gentleness, love, and mercy. Luke focuses on Jesus' journey to Jerusalem. The journey of Jesus is one of gentle service. Luke depicts Jesus often reaching out to the poor and the marginalized in gentle and loving ways. Mercy, healing, companionship on the journey, and especially gentleness toward one another are very much needed in our own lives as followers of Jesus. We can lead much more effectively and fruitfully if we "put on an apron" (Luke 12:37) and serve as Jesus served, just as the "scribe of Christ's gentleness" illustrates in his writings. Therein, we find real and true leadership.

St. Luke pray for us. Amen.
