Mary, we pray today for all mothers who are afraid to be mothers. We pray for those who feel threatened and overwhelmed by their pregnancy. Intercede for them, that God may give them the grace to say yes and the courage to go on. May they have the grace to reject the false solution of abortion. May they say with you, Be it done unto me according to your word." May they experience the help of Christian people, and know the peace that comes from doing God's will. Amen.

**Prayer for Families**

Lord, you chose to enter the world as a member of a family. Take care of all families: May they be sources of love and security for all family members, where each person is valued and given the chance to reach their full potential. Amen. Stephen Cummins

Wishing everyone a very **Happy New Year 2019!**

May God grant you His grace and every blessing, and keep you safe throughout the coming year.

May He order your days and in His peace, hear your every prayer.

May He grant you unwavering faith, instant hope, and love that endure and touch your life with joy!
