 February 3, 1930 — April 17, 2018

May his soul and the souls of all the faithfully departed through the Mercy of God, may he Rest In Peace.
 Amen

Right to Life "We fed the public a line of deceit, dishonesty, a fabrication of statistics and figures. We sensationalized the effects of illegal abortions, and fabricated polls which indicated that 85 percent of the public favored unrestricted abortion, when we knew it was only 5 percent. We unashamedly lied, and yet our statements were quoted (by the media) as though they had been written in law." A statement from ex-abortionist Dr. Bernard Nathanson.
