New St. Elizabeth Ann Seton Parish Council 2018-2020

We are developing new Parish Councils in both St. Elizabeth Ann Seton and St. Henry Parishes. A Parish Council is meant to be a consultative body which strives to discern the movement of the Holy Spirit among God's people in the Parish. The Parish Council's purpose is to assist the Pastor/Administrator in his leadership role through discernment. Under the authority of the Pastor/Administrator, the Parish Council may be asked to investigate, ponder, and make recommendations about matters in the context of prayer and openness to the Holy Spirit so that at all times the common good will prevail. The Parish Council should, as a body, foster unity and a sense of community in the parish and coordinate all parish activities in a manner that will best serve the interests of the parish.

After some prayer and reflection, I would like to ask, that those of you who are interested in considering serving or feel called to serve on the Parish Council, please complete the forms which are placed in the vestibule and put your name, email address, phone number, a brief summary of why you are interested in serving and what you feel you could contribute to the parish council by your membership. All submissions should be personally returned to Fr. Johnson by August 26, 2018. I will review all submissions and act accordingly.

Let us pray that the Holy Spirit will lead and guide us all in this process.

Right to Life
Mary, we pray today for all mothers who are afraid to be mothers. We pray for those who feel threatened and overwhelmed by their pregnancy. Intercede for them, that God may give them the grace to say yes and the courage to go on. May they have the grace to reject the false solution of abortion. May they say with you, Be it done unto me according to your word. May they experience the help of Christian people, and know the peace that comes from doing God's will. Amen.
