**Thought for the Day**

Walt Disney built an apartment in the upper levels of Cinderella's Castle for his family to stay when visiting Orlando. In 2006, it was turned into a deluxe suite that is awarded to a randomly selected family each day. The residence boasts 24 karat gold tile floors and a "magic mirror" that turns into a television. A Jacuzzi tub is the suite's crown jewel. Above it, a starry night sky lights up thanks to chromo-therapy lighting. It truly is a place like no other.

But it is not heaven. As great and magical as tis Disney suite may appear, it cannot compete with heaven. Heaven is our destination. And, like the Disney suite, you can't earn it. You are invited.

When we listen to Jesus and become his follower, we get to be with him in heaven. We don't know what heaven is like, but it is more than we can imagine. "What eye has not seen, and ear has not heard... what God has prepared for those who love him" (1 Corinthians 2:9)
