Understanding Cycle Health for girls ages 9-12 with their Mothers on Saturday, November 10 at 9:30am at the Cathedral Life Center. RSVP by November 5 to teresam.shirley@gmail.com **Coffee and Hot Cocoa**
 Would you like your daughter to understand her body? Would you like to know what is considered normal and abnormal in the female cycle as your daughter becomes a woman? Want to know alternatives to the band aide approach of birth control pills for your daughter's health care? As Catholic mothers, we want to teach our daughters to respect their bodies, God's design, and to be empowered as a woman to navigate healthcare with a prolife perspective. This is not a talk about the "birds and the bees". Hosted by the FertilityCare Center of Birmingham, LLC *Natural, Safe, Effective, Family Planning that respects the dignity of both the woman and marriage.* Speaker: Teresa Shirley, Creighton Model FertilityCare Practitioner.
