**Right to Life**

*Being personally against abortion but favoring another's right to abortion is contradictory and baffling. It's like saying that we're personally against child abuse but we defend our neighbor's right to abuse his child if that is his choice. As a society we do not condone child abuse; then why do we condone the ultimate child abuse-abortion?*

The fight has now come full force. What was once done in darkness is now celebrated in the light. Yet, where before we may have been blinded, God's Unfathomable Mercy is opening the hearts, the minds and the eyes of people of Faith. Our Lady's Clarion Call – the call once trumpeted at

**Quito, LaSalette, Fatima, Tre Fontane and Akita** is upon us:

**We, in the United States share the conviction, now seen and acted upon in the International community, to enter fully into the spiritual warfare we are facing and to pray for our respective nations at this watershed moment in history. We hear the clarion call of the Holy Spirit, through the Immaculata, and sound the reply:**
